

23 September 1978

NOTE FOR:   
Chief, Systems Analysis Division

SUBJECT: HF Modernization

I read the memo you sent to Sheila on what to do and who should to it in the HF Modernization area. I think what you have planned is exactly right. Is it underway? If possible I would like to talk with you briefly before I go to Houston about how things stand and what, if anything, I should do to help.
